

MUSTANG

COMPONENT WALL SHELF

MV-WS2 **Mustang Dual Component Wall Shelf**

The MV-WS2 is a dual shelf system that offers easy cable management to hide unsightly cables and wire running from the components to the TV and supports devices weighing up to 30 lbs (13.6 kg). The simple, efficient design ensures a trouble free installation process that can be easily performed by both professional and non-professional users.

Features:

- Two Shelves
- Supports up to 30 lbs (13.6 kg)
- Installs in minutes
- Cable management
- Single Stud Mounting
- Charcoal black tempered glass shelf (6mm)
- Dimensions: 17"W x 16.5"H x 16.5"D (430mm x 419mm x 375mm)
- UPC: 679856030259

Mustang Component Wall Shelves are the perfect solution for residential or commercial users who are looking for an easy, sleek, secure solution for organizing their audio/video components.

They feature a black bezel and charcoal tinted tempered glass shelving to match today's common flat panel TV's and ensure that the product is both functional as well as visually attractive.
