

# MPS-X137U Large Format & Interactive Display Stand

## For Monitors 70" and Larger

### Four Display Height Positions

Regardless of whether a 65" or 90" display is installed, achieve the perfect viewing angle by choosing from four height positions.

### Configurable Shelves

Choose from multiple shelf options. Flat component shelves can be mounted in front or behind the display and are vertically adjustable. Side shelves are vertically adjustable, can pivot from front to back and retract for storage. Adjustable top shelf is ideal for a speaker or video camera.

### Optional Back Cover

For clean and tamper-proof installation of components the optional panel and back cover provide a practical and aesthetically pleasing way to attach components such as media players and cabling.

### Integrated Cord Management

Through-column cord management for a clean installation. Also includes cord wrap claws, capable of storing up to 50' of heavy gauge cord at the base.

### Supports:

 Microsoft Surface Hub

### MPS-X137U

The base model includes lockable tilt brackets with built in dual keyed locks. Features through-column cord management, cord wrap brackets capable of holding 50 feet of heavy gauge extension cable and removable handles. Heavy duty 0.25" thick solid base plate ensures stability while minimizing tripping hazard.

## Optional Accessories

### MPMP-C9

Back Panel and Cover System

Perforated back panel allows easy attachment of components and convenient cable management. Back cover keeps components out of sight to prevent unwanted tampering. Cover can be lifted after installation for easy access to components. Security screws are included to prevent removal in the field.

### MPMS-9B

Front/Back Shelf

Heavy duty shelf can be installed either on the display side or behind the display. Continuous vertical adjustment with 50lb capacity.

### MPMS-9S

Side/Laptop Shelf

Installs on either right or left side. Continuous vertical adjustment. Retractable for transporting and storage with 35lb capacity.

### MPMS-9T

Top Shelf

Vertically adjustable top component shelf. Ideal for placing a speaker or camera for video conferencing.
