

MUSTANGTM TRIPOD 1:1 SCREENS

When looking for clean-line design that also delivers top performance, choose Mustang's Tripod 1:1 Screen. Assembling in just minutes, this sturdy screen features heavy-duty extruded legs, a scratch-resistant surface and 1:1 aspect ratio that makes it ideal for business and education applications. Once the screen is set up, enjoy the screen's matte white viewing surface, which diffuses projected light uniformly over the screen - creating ideal viewing from any angle. Its unique tensioning system enables you to adjust the screen height to fit virtually any ceiling height, while its durable black-powdered housing case makes it easy to store or carry for portable use. Mustang's Tripod 1:1 Screen is the ultimate tripod screen.
